GRADE 2-3

Name: _____

Green Planet

Earth Day is a special day when people all around the world celebrate our planet. We think about how to take care of it.

One important way we take care of our planet is by keeping it green. This means planting trees. When we take care of our planet, we make a nice place for animals, plants, and people.

1. What is one key activity people do on Earth Day?

2. How does taking care of our planet help people?

Name: _____

Earth Day

Earth Day is a special day when people all around the world celebrate our planet and learn about how to take care of it.

1. On Earth Day, many people plant trees.

2. How do we recycle to help keep the Earth clean?

3. What are three ways we can take care of our planet?

Name: _____

Nature Day

On Earth Day, people all around the world come together to celebrate nature and show their love for the Earth. Nature is amazing. We might plant trees, clean up parks, or simply spend time outside enjoying the fresh air and sunshine. It's a special day to appreciate the wonders of nature and think about how we can take care of it.

Name: _____

Earth Care

Earth Day is a special day when people all around the world take care of our planet. On Earth Day, we learn about how to help the Earth, like planting trees, cleaning up, and saving water. We also learn about how important it is to take care of the Earth every day, not just on Earth Day. We can help the Earth by recycling, turning off lights when we're not using them, and using less water. By taking care of the Earth, we can make sure it stays healthy for a long time. We can all do things to help the Earth and people to enjoy for a long time.

1. What are some activities people do on Earth Day to help the Earth?

Name: _____

Planet Help

Earth Day is a special day when people all around the world work together to help our planet. One way we can help is by picking up trash. Trash can hurt the Earth, so we clean up parks, beaches, and streets. Another way is by saving water. We can turn off the faucet when we brush our teeth and take shorter showers. We also plant trees to give homes to animals and clean the air we breathe. Earth Day reminds us that we can all do things to help the Earth. It's a big difference by taking care of our planet.

1. How do people help the Earth on Earth Day?
