Name: _____

Curious Events Day

On Curious Events Day, people celebrate strange and unusual happenings. Some believe it's a day for mysteries and surprises. One curious event is finding a rainbow-colored rock in the middle of a sidewalk. Another might be a cat chasing a butterfly wearing a tiny hat. Curious Events Day encourages us to notice the little wonders all around us.

1. What do people celebrate on Curious Events Day?

2. Can you give an example of a curious event mentioned in the passage?

3. What does Curious Events Day encourage us to do?
