Skiing

Skiing is a fun winter sport. When you go skiing, you wear special boots and click them into long, flat skis. Skis help you glide on the snow. People use ski poles to help them balance. On snowy mountains, you can ride a chairlift to the top, then slide down the hill. It's like sliding on ice, but on big hills! Skiing takes practice, but it's so much fun when you get the hang of it.

1. What do you wear on your feet when you go skiing?

2. How do skis help you move on the snow?
