## BRAVERY AT SEA

### READING COMPREHENSION

**NO-PREP &  
EDITABLE**

**CARING FOR MARINE LIFE**  
It's not just humans that the Coast Guard looks out for. They also care for marine animals. If a dolphin is caught in a net, they will carefully cut it out and release it safely.

**BRAVERY AT SEA**

**BRAVE GUARDIANS OF THE SEA**  
Imagine being out at sea when a storm hits, and your boat starts to rock dangerously. Who would you call for help? That's where the brave men and women of the Coast Guard come in. They are like superheroes of the sea, ready to rescue those in need and keep our waters safe.

**RACING TO THE RESCUE**  
When someone is in trouble at sea, the Coast Guard springs into action. They race across the water in their powerful boats, or sometimes they even fly in helicopters, to reach those who need help. No matter how rough the waves or how fierce the wind, the Coast Guard doesn't hesitate to come to the rescue.

**CONQUERING STORMY SEAS**  
The sea can be scary, with huge waves crashing against boats and strong winds. But the Coast Guard heroes don't let that stop them. In the stormy seas, using all their skills and bravery, they help those who are stranded or in danger.

**SEARCHING FOR THE LOST**  
Sometimes, people get lost at sea, and that's where the Coast Guard's search-and-rescue missions become critical. With their advanced equipment, they scour the ocean for those who are missing. Finding them is like finding a needle in a haystack.

**PROTECTING OUR WATERS**  
Not only do they rescue people, but the Coast Guard also protects our waters from harm. They patrol the coastlines, making sure they are secure. Whether it's keeping an eye out for pollution or illegal fishing, the Coast Guard is always on duty.

## BRAVERY AT SEA

### BRAVE GUARDIANS OF THE SEA

Imagine being out at sea when a storm hits, and your boat starts to rock dangerously. Who would you call for help? That's where the brave men and women of the Coast Guard come in. They are like superheroes of the sea, ready to rescue those in need and keep our waters safe.

### RACING TO THE RESCUE

When someone is in trouble at sea, the Coast Guard springs into action. They race across the water in their powerful boats, or sometimes they even fly in helicopters, to reach those who need help. No matter how rough the waves or how fierce the wind, the Coast Guard doesn't hesitate to come to the rescue.

### BATTLING STORMY SEAS

Storms at sea can be scary, with huge waves crashing against boats and strong winds blowing everything around. But the Coast Guard heroes don't let that stop them. They navigate through the stormy seas, using all their skills and training to reach those who are stranded or in danger.

### SEARCHING FOR THE LOST

Sometimes, people get lost at sea, and that's when the Coast Guard's search-and-rescue missions become critical. With special tools and equipment, they scour the vast ocean to find those who are missing. It's like looking for a needle in a haystack, but the Coast Guard never

gives up hope.

### PROTECTING OUR WATERS

Not only do they rescue people, but the Coast Guard also protects our waters from harm. They patrol the coastlines, making sure that everything is safe and secure. Whether it's keeping an eye out for pollution or stopping illegal activities, the Coast Guard is always on duty.

# Ready to Print & Editable

### CARING FOR MARINE LIFE

It's not just humans that the Coast Guard looks out for; they also care for marine animals. If a dolphin is stranded on a beach or a sea turtle is caught in a net, the Coast Guard rushes to help. They work tirelessly to ensure that the creatures of the sea are safe and healthy.

### EDUCATING ABOUT SAFETY

Prevention is key, and that's why the Coast Guard also teaches people about water safety. They visit schools and communities to share important tips, like wearing life jackets and staying away from dangerous areas. By educating others, they help prevent accidents before they happen.

### EVERYDAY HEROES

Every day, the Coast Guard heroes put their lives on the line to keep us safe. Whether it's rescuing someone from a sinking boat or protecting marine life from harm, they are always ready to answer the call. Their bravery and dedication make them true heroes of the sea.

### GRATITUDE FOR THEIR SERVICE

We owe a lot to the Coast Guard for their bravery and service. The next time you see a Coast Guard boat or helicopter, remember the incredible work they do. They are the guardians of our seas, always there to lend a hand when we need them most. Let's salute these courageous men and women for their selfless acts of bravery.
