SEPTEMBER 11TH FLIPBOOK

Ready to Print

On September 11th, 2001, something very sad happened in the United States. Some bad people flew airplanes into very tall buildings in a city called New York. This made many people feel scared and sad. It was called a "terrorist attack." People all around the world remembered this day every year to honor the people who were hurt or lost their lives.

What You have learned so far?

WHAT I LEARNED

1. What happened on September 11th, 2001?

2. How did the event make people feel?

3. Why do people remember September 11th every year?
