WHAT I LEARNED

Ready to Print

Every year on December 6th, people around the world celebrate St. Nicholas Day. St. Nicholas was a kind man who lived a long time ago. He loved helping others, especially children. People celebrate this day by giving small gifts and treats to each other, just like St. Nicholas did. Sometimes, children leave their shoes out at night, and in the morning, they find them filled with goodies! It's a special day to remember kindness and generosity.

What You have learned so far?

WHAT I LEARNED

1. When is St. Nicholas Day celebrated?

2. Why do people celebrate St. Nicholas Day?

3. What do children sometimes find in their shoes on St. Nicholas Day morning?
