Activity

COOKIE DAY **FLIPBOOK**

Ready to Print

On Cookie Day, everyone bakes delicious treats. Families gather in the kitchen, mixing flour, sugar, and eggs. The smell of cookies fills the air, making mouths water. Some make chocolate chip cookies, while others prefer oatmeal raisin. When the cookies are ready, they're placed on trays to cool. Then comes the best part—eating them!

What You have learned so far?

WHAT I LEARNED

1. What do families do on Cookie Day?

2. What ingredients are used to make cookies on Cookie Day?

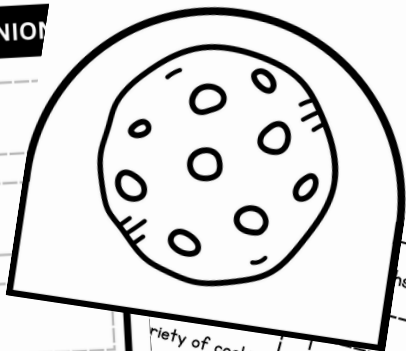

3. What happens after the cookies are baked?
