WHAT I LEARNED

Ready to Print

Today is King Tut Day, a special day to remember a boy who became a king long ago. King Tut was a pharaoh of ancient Egypt. He became king when he was just nine years old! King Tut's tomb was found by archaeologists many years after his death. Inside, they discovered treasures and artifacts that taught us a lot about ancient Egypt.

What You have learned so far?

WHAT I LEARNED

1. How old was King Tut when he became a king?

2. What did archaeologists find inside King Tut's tomb?

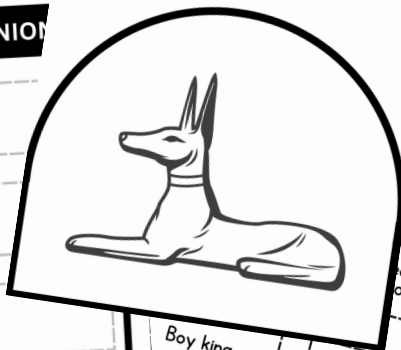

3. What does King Tut Day help us remember?
