STAR WARS DAY **FLIPBOOK**

Ready to Print

"Star Wars is a famous movie series loved by many people. It is about heroes called Jedi who fight against villains like Darth Vader and the evil Sith. The Jedi use special powers called the Force to help them. They fly in space ships and have cool laser swords called lightsabers. In Star Wars, there are also funny robots like R2-D2 and C-3PO who help the heroes. People enjoy watching Star Wars because it has exciting adventures in space.

What You have learned so far?

WHAT I LEARNED

1. How do Jedi primarily combat their enemies in Star Wars?
