Easter is a special holiday that many people celebrate in the spring. On Easter, families often come together for a big meal. One of the fun traditions is the Easter egg hunt. Parents hide colorful eggs in the yard, and children look for them. Some eggs are made of chocolate, while others have small toys inside. Many kids also get Easter baskets filled with candy and toys. Another tradition is dyeing eggs. Children use bright colors to make their eggs look pretty. Easter is a time for fun, family, and colorful eggs!
