### What is Mother's Day?

Mother's Day is a day to celebrate and say thanks to our mothers. It's a time to make them feel special because they do so much for us, like helping us with homework, cooking our meals, and giving us hugs when we're sad.

### The Story of Mother's Day

Mother's Day started because a woman named Anna Jarvis wanted to honor her own mother. She thought all mothers could be celebrated because they do so much for their families. That's why she worked hard to make Mother's Day a special day for all moms.

2. Why do we celebrate Mother's Day?

## All About Mother's Day

Mother's Day is a special day when we say thank you to our moms and all the mom-like people who take care of us. It happens every year on the second Sunday of May. On this day, we show our moms how much we love and appreciate them.
