EXPLORING WEST VIRGINIA

Welcome to West Virginia, a state full of adventure and natural beauty! Let's explore this wonderful place together and discover all the exciting things it has to offer.

MOUNTAINS AND VALLEYS

West Virginia is known as the Mountain State because it's filled with tall, majestic mountains and deep, lush valleys. These mountains are perfect for hiking, camping, and exploring nature.

RIVERS AND LAKES

In addition to its mountains, West Virginia is also home to many rivers and lakes. The New River Gorge is one of the most famous spots, where you can go whitewater rafting and see stunning views from the high bridge above.

HISTORIC TOWNS

Throughout West Virginia, you'll find charming historic towns that tell the story of the state's past. Places like Harpers Ferry, with its old buildings and museums, are great for learning about history while having fun.

STATE PARKS

West Virginia is proud to have many beautiful state parks where families can spend time together outdoors. Babcock State Park is known for its picturesque grist mill and scenic trails, perfect for a day of exploration.

WILDLIFE

West Virginia is home to a diverse array of wildlife, including black bears, deer, and wild turkeys. You might even spot a bald eagle soaring high above the trees if you're lucky!
